Re: ASIS Website Of The Year for 2006

Dear Don:

I would like to take this opportunity on behalf of the Cleveland, Ohio Chapter of the ASIS officers, committee chairs, and the entire membership to say congratulations to you on a job well done as the editor of the Cleveland, Ohio ASIS Chapter website.

It is obvious your hard work, diligence and perseverance has paid off in helping us not only communicate to our members many of the activities going on within our own chapter, but your efforts has greatly improved communications to the members on meeting dates, announcements, activities, and other critical and vital information. Most importantly, and with great pride, we have just been awarded the "Website of The Year for Group #4".

You have worked tirelessly and made the chapter more dynamic and visible. We could not have done it without you.

Please accept our heart-felt thanks and appreciation for all of your accomplishments and I am sure I speak for the entire organization by wishing you the best in the future and to keep up the good work on our excellent website.

Congratulations!
